Microsoft Excel ribbon showing Font, Alignment, Number, Styles, and Cells tabs. The Font tab is active, displaying options for font face (Arial), size (10), bold, italic, underline, text color, and background color. The Alignment tab shows options for text alignment (left, center, right, justified), wrap text, and merge & center. The Number tab shows options for number format (General), percentage, and decimal places. The Styles tab shows options for conditional formatting, format as table, and cell styles. The Cells tab shows options for insert, delete, and format cells.
